1 Hobby talent show

Next week, our class will have a hobby talent show class^[1]. Some students will show their drawing, painting, and crafting with paper^[2]. Others will perform by playing the piano, singing or coloring^[3]. Many students enjoy hobbies like cycling, skating, solving puzzles, or playing board games on weekends^[4]. This talent show will be amazing, and everyone can share their joy with the class.^[5]

2 Hobbies really count

Hobbies are activities that people love to do in their free time because they bring joy^[6]. They help us relax, stay healthy, and become creative and energetic^[7]. Hobbies also show how people grow.^[8] Many children may learn new skills like drawing, painting, or writing^[9]. Some hobbies help people spend time outside, such as cycling, skating, running or fishing.^[10] Hobbies make us happier, stronger, and smarter^[11].

3 The school hobby club

At our school, a group of students decided to start a hobby club^[12]. Each student shared a special talent, like painting, basketball, reading, or gardening^[13]. At first, everyone wanted to meet at the same time, but after a discussion, they agreed to have each hobby on its own day^[14]. This solution made the club organized and fun for everyone^[15]. The hobby club soon became a place full of creativity, leadership, and enjoyment^[16].

4 Steps to start a hobby

Starting a new hobby is fun and easy.^[17] First, think about what you love, like music, art, or nature^[18]. Next, get the things you need, like a small keyboard or gardening tools^[19]. Then, start practicing your hobby, and don't try to be perfect immediately^[20]. After that, practice your hobby step by step to see your progress.^[21] Finally, share your joy with others.^[22]

Reading Comprehension (Text 1)

Hobbies are a wonderful way to grow. When you first try a hobby, like playing the piano, you might not be very good. You couldn't play a full song, but with practice, you can learn. This shows progress. Hobbies also build strong friendships. When you join a club, like a cycling or crafting club, you meet people who share your interests. This friendship is built on shared enjoyment and excitement. Hobbies are not just for fun; they teach us patience and help us build relationships with others.

1. What is the main idea of this text?
